

SeaWorld/Busch Gardens Husbandry and Training K-3 Classroom Activities

Marine Mammal Match-up

OBJECTIVE

Given pictures of animals, the student will be able to match behaviors in the ocean with behaviors at SeaWorld.

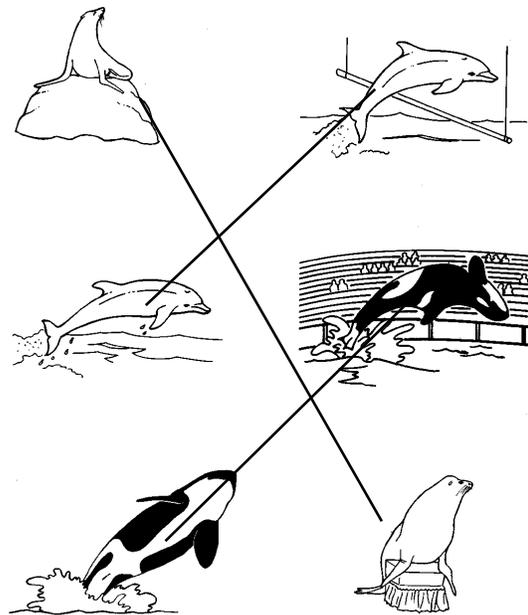

ACTION

1. Copy and distribute *Marine Mammal Match-up* funsheet.
2. Students draw lines to match the behaviors of animals in their environments with their behaviors at SeaWorld. Next, students color their funsheets.

MATERIALS

Marine Mammal Match-up funsheet
pencils or crayons

ANSWERS

Marine Mammal Match-up

Draw a line to match the animal on the left to the animal on the right.
